Why people love Tend

Amazing staff No judgement Transparent pricing Soothing environment

Jenn T.

Flatiron Studio

WOW! You guys. I can't say enough positive things about this dentist office. From the moment I walked in I was greeted with a smile. Every staff member was fantastic...Fantastic place. I'd give it ten stars if i could.

Maryana S.

Wall Street Studio

Had to make a same day emergency appointment due to shooting pains in my teeth. The dentist and the entire staff, from check in to x rays, were understanding, empathetic, and really made me feel that they wanted me to get better quickly. I'm very grateful for the excellent service and calming environment!

Macie W.

Flatiron Studio

I am never leaving Tend. The staff is so comfortable, heard, and understanding. Great experience. All my cavities filled and when given the novocain staff 😊

Care at Tend isn't just painless, it's a pleasure
